

TREFOIL TUTORS

Welcome

Dear Parents,

Last month, our team of tutors gathered together for a Professional Development Seminar on Successful Revision and Exam Preparation. The Seminar was a part of a series of professional development opportunities Trefoil Tutors

offers its tutors in order to ensure that they are up-to-date with the most recent developments in pedagogy.

We know that the run up to examinations can be a stressful time for students and parents alike; therefore we would like to take this opportunity to reassure you that your tutor as well as Vivek and Milda at the office are more than happy to offer all our support and advice should you have any queries or concerns regarding your child's preparation for upcoming examinations.

In addition, our tutors are always happy to offer regular feedback after lessons in order to keep you up-to-date with your child's progress and any areas for development.

Continuing the theme of effective exam preparation, in this month's newsletter, we would like to share with you a useful article on revision techniques published by the The Guardian - you can find it in the Education and Resources section.

As ever, we are incredibly grateful for your recommendations of our services to your friends and colleagues - we therefore continue to run our discount offer as a thank you for your support, the details of which are in this month's newsletter.

With all our best wishes,

The Trefoil Tutors Team

Revision techniques

The success of a student's revision is affected not only by the material covered, but also their health and wellbeing away from the desk. [This article published by The Guardian](#) is a useful reminder of how to strike a healthy balance between work and relaxation in order to increase productivity and minimise stress for students.

In private tutoring, we know how important word of mouth recommendations are. A number of parents have recommended us to their friends and relatives in the past, and we would love to offer something in return to thank you.

We are delighted to offer you:

a one-off £40 discount off group lessons

or

a one-off £5 discount off one-to-one lessons

when a person you have recommended signs up for lessons with us.

In order to qualify for the discount, please ask the recommended person to mention your name when contacting us. The discount will be applied after the recommended tutee has had their first lesson with one of our tutors.
