

TREFOIL TUTORS

Welcome

Dear Parents,

We hope you and your children have had a successful start to the new academic year! We are absolutely delighted to see so many of you return to lessons after the summer holidays, with a refreshed mind and an enthusiastic attitude towards learning.

This summer has been particularly eventful for Trefoil Tutors: we have moved into our second teaching premises, recruited a new member of staff and selected eight excellent new tutors to join our team. We would like to thank you for all your support and trust along the way. With all the new developments, we feel better equipped than ever to offer the high quality tutoring services we have become known for.

Our group lessons in English and Mathematics have filled up very quickly this year, and we know many parents are still keen to sign up for these in the coming weeks. If you are still looking to join the lessons, check the newsletter for an update on places available in the group lessons or call us on 0203 565 0539 to book.

In addition, we continue to offer one-to-one tuition with our specialist tutors in Mathematics, English, Science, Economics and Modern Languages.

As always, please do get in touch if we can offer our support to your child's learning - we would be happy to help.

With all our best wishes,

The Trefoil Tutors Team

Our Tutoring Services

Group lessons: limited places still available!

This year, we are running specialised group lessons in English and Mathematics for students from Y5 to Y13. Each group is attended by no more than 6 students, which allows the tutor to combine the best practice of classroom teaching with the individualised support of one-to-one lessons.

We currently still have some spaces available for students who would like to join the group lessons! If you would like to book your son or daughter a place, please call us on 0203 565 0539 to sign up!

DISCOUNT OFFER

In private tutoring, we know how important word of mouth recommendations are. A number of parents have recommended us to their friends and relatives in the past, and we would love to offer something in return to thank you.

We are delighted to offer you:

a one-off £40 discount off group lessons

when a person you have recommended signs up for lessons with us

20% off all group tuition

when a student registers for both English and Mathematics group lessons
or when you register two or more siblings for group lessons

In order to qualify for the discount, please ask the recommended person to mention your name when contacting us. The discount will be applied after the recommended tutee has had their first lesson with one of our tutors. Discount offers are not combined.

Trefoil News

A New Member of Staff Joins Our Management Team

We are delighted to introduce you to Tim Backhaus, who is joining the Trefoil team as our new Office Manager having completed his law studies. Based in our Elstree office, Tim will be the first point of contact and support to parents and students. Welcome to the team, Tim!

Our Elstree Office Has Opened Its Doors

As Trefoil continues to grow, we are very excited to welcome you to our new “home”! Many of our students have already had the chance to visit our brand new teaching premises as they returned to lessons this September. Located on Theobald Street, a few steps away from the Elstree&Borehamwood station, our new premises include two classrooms and two one-to-one tutoring spaces. Do let us know if you would like to drop in for a visit!

New Tutor Induction Day

This September, we are proud to welcome eight new specialist tutors to our team. After a busy summer of interviewing potential candidates, the new tutors were invited to attend an Induction Day to welcome them to the team and provide an introduction to the pedagogical training offered to tutors at Trefoil.

Meet Our Team - Arsalan (Tutor of Economics)

Arsalan joins the Trefoil team as a specialist Economics tutor who will be working with A-level students preparing for their examinations. Currently studying Economics and Social Policy at LSE, Arsalan is familiar with the curriculum requirements as well as exam techniques required for achieving top results. To book in lessons with Arsalan, please call us on 0203 565 0539.

Announcements

We know that each new academic year comes with a new stack of books... If you find yourself not knowing what to do with your old coursebooks and set texts, please do bring them with you to your next lesson - we would be more than happy to add your old books to our library and give an opportunity for our younger students to use them in their work.
