## Welcome

---

Dear Parents,

We hope you and your children are enjoying the half-term break after a busy start to the academic year.

We are delighted to see the enthusiasm and hard work our students have shown in this first set of lessons. Our tutors are working hard to ensure lessons are not only offering high quality subject content but are also interactive and engaging for the students.

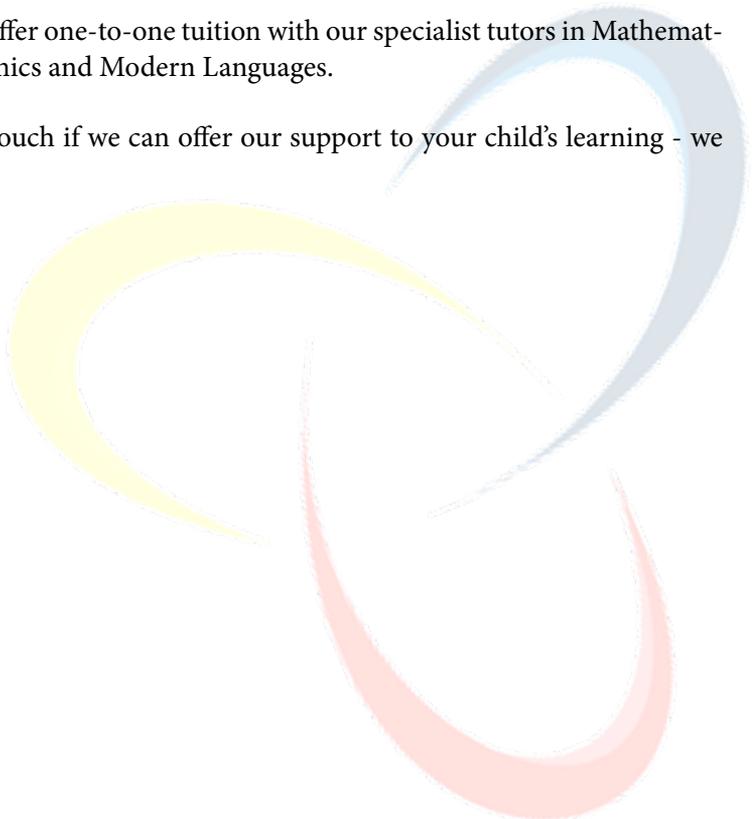

An ever-growing number of students attend our specialised group lessons in English and Mathematics, and we are currently signing up pupils for the final remaining places. Please see the next page for the groups we are currently running. To sign up, please do call us on 0203 565 0539 or email us at [office@trefoiltutors.co.uk](mailto:office@trefoiltutors.co.uk).

In addition, we continue to offer one-to-one tuition with our specialist tutors in Mathematics, English, Science, Economics and Modern Languages.

As always, please do get in touch if we can offer our support to your child's learning - we would be happy to help!

With all our best wishes,

**The Trefoil Tutors Team**

## Group lessons: final chance to book your place

We are delighted with the successful start our students have made in the first set of Mathematics and English group lessons! A limited number of places is still available for students who would like to join the group lessons this year. Each group is attended by no more than 6 students, which allows the tutor to combine the best practice of classroom teaching with the individualised support of one-to-one lessons.

If you would like to book your son or daughter a place, please call us on 0203 565 0539 or email [office@trefoiltutors.co.uk](mailto:office@trefoiltutors.co.uk).

## DISCOUNT OFFER

In private tutoring, we know how important word of mouth recommendations are. A number of parents have recommended us to their friends and relatives in the past, and we would love to offer something in return to thank you.

We are delighted to offer you:

### **a one-off £40 discount off group lessons**

when a person you have recommended signs up for group lessons with us

### **20% off all group tuition**

when a student registers for both English and Mathematics group lessons  
or when you register two or more siblings for group lessons

In order to qualify for the discount, please ask the recommended person to mention your name when contacting us. The discount will be applied after the recommended tutee has had their first lesson with one of our tutors. Discount offers are not combined.

## 11+ Mock Examinations

This week, our Y6 students are sitting Mathematics and English Mock examinations in preparation for 11+ entry in January. Written by our lead Mathematics and English tutors, the mock exams are modelled on independent school entrance papers. If you have missed the chance to attend these, we will be running a second set of 11+ mock examinations in December.

## Trefoil Tutors Office Bonding Day

In the end of September, our Office enjoyed a Staff Day Out and challenged each other in Minigolf. The weather conditions could have more favourable, but it did not discourage anyone's will of battle! In the end, Vivek won both of the sets, with Milda and Tim fighting for second place in both games.

## Ofsted boss criticises exam-focussed school curriculum

Ofsted boss Amanda Spielman has expressed concern regarding the fact that school curriculum is increasingly more focussed on exam preparation rather than enriching teaching and developing strong subject knowledge. She said, "In the worst cases, teaching to the test, rather than teaching the full curriculum, leaves a pupil with a hollowed-out and flimsy understanding."
