## Welcome

---

**Dear Parents,**

This month was the season of mock examinations and mid-year tests at schools, and we have been working with our students to support their revision for these assessments.

We hope that after all the hard work the half-term has provided a well-deserved break!

Last month, we shared the excellent news of our 11+ students, with 100% of boys who had attended our lessons for 12+ weeks receiving interview invites to The Haberdashers' Aske's Boys' School and Merchant Taylors' School. In February, we were absolutely delighted to hear from our students who sat 11+ entrance examinations to girls' schools – we are very happy that a number of our students were invited for interviews at Haberdashers' Aske's School for Girls, St. Paul's Girls' School and St Albans Girls' School. Congratulations, ladies!

After a brief half-term break, we are now preparing for the next set of group lessons which begins on Saturday, the 24th of February. This will be the last set of weekend lessons to take place at our Queensbury office – although this was the original home of Trefoil Tutors, we found we have 'outgrown' the space and are truly excited to welcome all of our students to our Elstree premises from the 14th of April.

The remaining part of the academic year will be the toughest on our older pupils who are preparing to sit their GCSE and A-level examinations. We have already had a number of conversations with our pupils about the best ways to plan their time and structure their revision, be it during term-time or during the holidays. We will share some of our top tips in our upcoming newsletters; however, should you find that your child is struggling with their revision technique, please do not hesitate to ask your tutor for advice!

Warmest wishes,

**The Trefoil Team**

## DISCOUNT OFFER

Did you know that if you attend the mathematics lessons, and would like some support with English, you are eligible for a 20% discount off BOTH group classes costs?

This means you can sign up for five 1.5h English lessons for as little as £95 (incl. VAT) in the upcoming set of lessons.

To enquire about joining the classes, do give us a call on 0203 565 0539 or email [office@trefoiltutors.co.uk](mailto:office@trefoiltutors.co.uk). We look forward to hearing from you!

## GCSE Mock Examinations for Y11 students

As our Y11 students continue their preparation for the GCSE examinations, we are glad to announce the dates for the mock examinations that we will run during the Easter Holidays.

Each mock exam session is 3h long, and includes sitting a 1.5h long paper as well as a review of the paper together with the tutor after the paper has been marked.

The mock examinations will take place at the following times:

### Friday, April 6th

10am-1pm (Mathematics)

1:30pm-4:30pm (English Literature)

The cost of one mock examination is £100 (incl. VAT). To book your place, please email us at [office@trefoiltutors.co.uk](mailto:office@trefoiltutors.co.uk). The places are booked on a first-come, first-served basis.

### Our weekend lessons are moving!

We are delighted to announce that starting on the 14th of April, we will be moving all our lessons to our Elstree office (5 Theobald Court, Theobald Street, WD6 4RN), and moving out of our premises in Queensbury.

The upcoming set of weekend lessons will continue at Queensbury as usual.

The new teaching space in Elstree is significantly better suited for group lessons, offering tailored classroom space and more convenient parking arrangements. We look forward to welcoming all of our students here!

All Mathematics lessons will continue to run according to the same schedule. In addition, we will now be able to offer more convenient lesson times for students looking to attend both Mathematics and English group lessons, as the English group lessons will be scheduled to run immediately before or after the Mathematics group lessons.

If you have any questions about the move, do give us a call on 0203 565 0539 or email [office@trefoiltutors.co.uk](mailto:office@trefoiltutors.co.uk).

## School league tables: See how your secondary school has done

An article featuring the secondary school league tables based on the results from last year's GCSEs in English and Mathematics has been published. This was the first cohort of students to sit the new GCSE specification exams.

The interactive search lets you compare schools in your area based on these results as well as other criteria, such as age group performance, Ofsted rating, and number of staff.

To read the full article, and see how your child's school compares to others in the area, please follow the link below:
